## RESTS IN CEDARWOOD

The Remains of Captain William T. Shaw Arrive - An Immense Throng of Sympathizing Friends Attend The Burial.

The remains of Captain William T. Shaw who was killed at Chateau Thierry, July 18th, 1918, reached Weldon on the early morning train from New York on Sunday morning. Undertaker Rowe took charge of the casket and the funeral services were held at the grave at 11 o'clock. The order of the Knights of Pythias of which Capt. Shaw was a prominent member, a squad of the American Legion from Scotland Neck, and many friends escorted the remains from the station to the cemetery. The casket was covered with a U. S. flag and above this was draped another large flag which was used during the war in the M. E. church in Weldon of which church Capt. Shaw had been member since childhood.

The pallbearers were from men from the Pythians and from ex-service men who had also been his friends from boyhood. At the grave the church service was read by Rev. L. D. Hayman, the pastor. The Pythian service was then read and Mr. R. T. Daniel in a few well chosen and beautiful words, paid a tribute to the life of our noble son. During the exercises the soldiers carrying guns, stood at parade rest and at the conclusion the bugle sounded taps. A volley was fired and our hero was left at last to sleep with his loved ones in beautiful Cedarwood Cemetery where loving hands can plant a flower and mourning friends can drop a tear in memory of our gallant dead - Roanoke News.

## POWELLTOWN ITEMS

The childrens day services at Smiths Church were given last Sunday, the 17th, owing to the short time the children had to practice, it was remarkable how the children recited, not a single one forgot their part. The decorations were simple but pretty, using cut flowers and potted plants. The church was full, some say that there were over 1,000 people there. After the childrens service everybody enjoyed a "good old fashion country dinner," consisting of barbecue, Brunswick stew, fried chicken, etc. After dinner Dr. Zollicoffer, of Weldon, made a very interesting talk. We always enjoy Dr. Zollicoffer's talks.

M. Taylor, of Jackson street, became the bride of Mr. William Brown, of Florence, S. C., a young business man of prominence in that section.

Returning to her home here Monday evening the young couple left Monday night for Columbia, S. C., where they will make their home.

## A PRETTY BIRTHDAY PARTY

Little Nancy Rice Glover beautifully entertained twenty-three of her little friends Friday, July 22nd, from 4 to 6 P. M. In passing by just at a glance I caught about twenty-three bright and shining faces having the most lovely time and I glanced a little further and there were two snow white tables decorated with all the good eats imaginable. They played games and sang songs. Just before 6 o'clock they were invited in the parlor where she showed them her lovely presents. They then returned to the beautiful grassy lawn and played until 6 o'clock and all returned home after two hours of real pleasure.

A Passer.

## QUIET WEEK IN POLICE COURT

Only Few Cases Mar Peace and Dignity of the Town. Three Sent on to Halifax Court.

A fairly uneventful week in police court circles resulting in only three cases to be sent up to the August term of Halifax Superior Court.

Before His Honor, W. S. Hancock, were arraigned Mrs. W. A. Whitfield and Mrs. Nannie Mitchell on a statutory charge, the evidence being sufficient to warrant them being held under \$25.00 bond for their appearance at Superior Court. Edward Warren arrested on a related charge was bound over under one hundred dollar bond.

Curtis Higgins, Charlie Adkins, Lloyd Draper, Coley Keeter and Fenton Johnson, charged with disorderly conduct were fined \$2.50 each and costs by Recorder A. L. Clark.

Five gallons of wine was seized in B. B. Higgins' store the trial of this case being postponed pending the return of Chief of Police R. H. Jackson.

## CAPITAL STOCK TAX RETURNS DUE

July 31 is the last day for filing returns of the capital stock tax. To avoid penalty, the returns must be in the hands of collectors of internal revenue on or before midnight of that date.

Blank forms are available at the office of Collector of Internal Revenue—J. W. Bailey, Raleigh, N. C. Form 707 is required for domestic, and 708 for foreign corporations.

The capital stock tax is a special excise tax imposed on corporations with respect to "carrying on or doing business". The tax on domestic corporations is \$1 for each \$1,000 or so much of the fair average value of its capital stock for the preceding year ending June 30 as is in excess of \$5,000. Foreign corporations are required to pay a tax at the rate of \$1 for each \$1,000 of their capital employed in the transaction of business in the United States without the benefit of the \$5,000 deduction. The tax is payable in advance, returns filed in July of this year covering the taxable year beginning July 1, 1921 and ending June 30, 1922.

The Bureau of Internal Revenue estimates that approximately 325,000 such returns will be filed and that the amount of revenue collected from this source will be approximately \$90,000,000.

Returns are required from every domestic corporation regardless of the par value of its capital stock, and of every foreign corporation irrespective of the amount of capital employed in this country in the transaction of its business. Certain corporations not organized for profit are exempt from capital stock tax. The class of organizations entitled to the exemption is described in regulations 50, revised copies of which may be obtained at the office of Collector J. W. Bailey, Raleigh N. C.

Corporations claiming exemption are required to file returns setting forth their reasons for such claims, accompanied by evidence in support thereof.

If, because of lack of complete data or other reasons than illness or absence, it is impossible to file a complete return on or before July 31, a tentative return may be filed, reporting the approximate fair value in order that an initial assessment may be made, thus avoiding penalty.

The penalty for failure to file a return within the time prescribed is an added assessment of 25 per cent of the amount due, unless it is shown that the failure was due to reasonable cause and not to neglect.

In addition to the added assessment a fine of not more than \$1,000 is provided for failure to

make a return on time. For wilful refusal to make a return, wilful evasion of the tax, wilful refusal to supply information requested by the Commissioner, or attempting in any way to evade the tax and payment when due, the penalty is a fine of not more than \$10,000 or imprisonment for not more than one year, or both.

With a view to the prompt collection of the capital stock tax, and for the convenience of the taxpayer as well as the Government, the Bureau suggests that corporations submit checks with the returns for the amount of tax due. This method is appealing to corporations as it lessens liability to penalty.

## W. R. HARVEY COUNTY TREASURER DIES SUDDENLY

Mr. W. R. Harvey, for many years Chairman of the Board of County Commissioners and later Treasurer of Halifax County, died suddenly Sunday afternoon at his home in Littleton from heart attack. Mr. Harvey was well known and universally liked throughout the county and his sudden death comes as a great shock to his many friends. The funeral services were held at the First Baptist Church on Monday afternoon at 4 o'clock conducted by his pastor, Rev. H. R. Miller, assisted by Rev. Francis D. Joyner, rector of the Episcopal Church at Littleton. Interment took place in the Littleton Cemetery and was attended by a large crowd of relatives and friends.

While serving as Chairman of the Board of County Commissioners Mr. Harvey was appointed County Treasurer following the death of Mr. J. E. Bowers, of Scotland Neck, several years ago. He was re-elected Treasurer at the last election and served in this capacity to the date of his death.

Mr. Harvey leaves a wife and four children: Mrs. T. W. Call, Mrs. Willis Price, Frank W. Harvey, of Littleton and Willis Harvey, of Enfield, N. C.

## FARMERS! DEMAND THE TAG!

The revised North Carolina State Seed Law requires that every package of seed weighing ten pounds or more sold to the farmers of North Carolina for seeding purposes shall have attached to it a tag showing the per cent of germination, the per cent of purity, the date germination was made, and where the seed were grown. The majority of the seed dealers in the state have expressed a willingness to comply strictly with this law in so far as it shall be possible to do so. Some few, however, have decided that the farmer is not entitled to this information and have expressed an unwillingness to comply with the law. We are, therefore, urging the farmers of the state to refuse to accept from any seed dealer in North Carolina or from any seed dealer outside the State, any package of seed weighing ten pounds or more that does not have a tag attached to it showing the analysis of the seed. It costs the dealer practically nothing to place this tag on the package, and the farmer is certainly entitled to know whether the seed he is purchasing is likely to come up and produce a crop, and we are sure that every honest and conscientious seedsmen will be only too willing to furnish this tag to each purchaser of ten pounds of seed or more.

make a return on time. For wilful refusal to make a return, wilful evasion of the tax, wilful refusal to supply information requested by the Commissioner, or attempting in any way to evade the tax and payment when due, the penalty is a fine of not more than \$10,000 or imprisonment for not more than one year, or both.

With a view to the prompt collection of the capital stock tax, and for the convenience of the taxpayer as well as the Government, the Bureau suggests that corporations submit checks with the returns for the amount of tax due.
